

kids in worship

all are welcome
at pilgrim!

Worship creates a special opportunity to sing together, share peace, and get to know one another between generations.

Please take time to introduce yourself and get to know Pilgrims of all ages.

Children of all ages are valued members of the Pilgrim community, sharing in the journey of love and life, and their noises, needs, squirms, songs, and love are welcome.

you are welcome to...

come and go

Arriving late and leaving early are just fine. You are welcome in worship for as long as you choose to be here.

sit where you like

The activity, music, art and beautiful color in the front of the sanctuary can capture children's interest, and families are welcome to sit up front.

move around

In worship, children are welcome to participate freely – with their families in the pews, enjoying floor play time in the east transept, being artistic in the west transept coloring space, or moving freely throughout the sanctuary. Caregivers are invited to accompany their children as they enjoy these areas.

keep busy

For children who prefer to stay in the pews and need help to occupy their busy bodies and minds, please use one of the busy bags hanging by the entrance to the sanctuary.

use the nursery

Childcare is also provided in the nursery, located behind the fellowship hall on the lower level.

take care

You are welcome to chestfeed, breastfeed, or bottle feed your baby anywhere in this building. The nursery offers some privacy, if desired. Changing tables are available in the nursery, lower level women's restroom, or all-gender restrooms by the church office. A child-size toilet seat is available in the nursery as well.
